THE NELTHORPE SCHOOL CHARITY

The Nelthorpe School Charity was founded by Richard Nelthorpe in 1706 to establish a school for young people in Scawby.

The charity now provides some financial support to Scawby Academy, but also awards grants to young people under the age of 25, or organisations supporting young people under the age of 25, to help contribute to their personal development. To apply you or the people you support MUST be living within the "ancient parish of Scawby" (Scawby, Sturton, Greetwell and parts of Scawby Brook).

If you or your organisation need to buy equipment or pay fees for educational or sporting purposes, or want to undertake a trip for educational, sporting or charitable purposes, or you are struggling to meet expenses connected with your children attending school, PLEASE CONTACT US.

Recent examples of grants include:

- Library chairs for Scawby Academy
- Financial aid for Scawby pupils on school trips
- Educational materials for university and college students
- Support for Scawby's Brownies
